Cemetery Ordinance Rules

THE CITY OF BURGIN IS **NOT** RESPONSIBLE FOR ANY ITEMS LEFT AT GRAVESITES

- Border at headstone should be out NO more than 1 foot & can be the width of the headstone
- Border must be enclosed in concrete border stones and filled with either mulch or decorative gravel
 - *NOTE: This is the family's responsibility to care & maintain this area. If said area is not maintained, the Cemetery Committee may choose to remove from grave site
- Borders can NOT enclose the rear of the headstone due to the property line being even with the back of stone
- Benches must be at the foot of the plot where a foot stone would be
 - **NOTE: Minimum clearance of 65"
- Benches MUST be set on a solid concrete foundation and attached to said foundation NOT strips
- Benches can be NO WIDER than 50"
- No more than one bench per gravesite
- Shepard's hooks must be in alignment with headstone
- All keepsakes must be in said border
- No more than two shepherds hooks per grave (one on each side of headstone)
- No live plants can be planted without permission from the City of Burgin in writing
- All altercations to graves must be approved by the City of Burgin in writing
